## Cradle support 26.719.U310.50

---

### DESCRIPTION

Two pieces, adjustable height,

Snap in pin: white

Support: transparent

Base and support are packed separately.

Supports ensure a constant gap between lamp and geartray.

For applications with a high light output (reflectors, glass covers, several lamps next to each other), we recommend metal supports, part no. 26.719.U810 / 26.719.U811
